Confirmation for RoHS3-Directive and REACH-Regulation

5th of January 2022

Dear madames and sirs,

We hereby confirm that the products supplied by us comply with the directive 2011/65/EU of European Council, as well as the amendment of the directive (EU)2015/863 of commission from 31st of march 2015, unless the customer expressly specified otherwise.

Further we guarantee the fulfillment of the requirement of the European Council Directive no. 1907/2006 from 18th of december 2006 which regulates registration, evaluation, admission and restriction of chemical substances (EU REACH). Therefore our products doesn't contain any substances above maximum value according to Annex XVII of EU-REACH-Regulation 2018/675 from 2nd of may 2018, unless the customer expressly specified otherwise.

Our products are also free of Conflict Minerals according to Dodd-Frank Wall Street Reform and Consumer Protection Act from july 2010.

*Best regards
HIPP Drehteile GmbH*
