*Confirmation RoHS3-Directive, REACH-Regulation
Conflict minerals and MDR*

30th of January 2023

Dear madames and sirs,

We hereby confirm that the products supplied by us comply with the directive 2011/65/EU of European Council, as well as the amendment of the directive (EU)2015/863 of commission from 22nd of July 2019, unless the customer expressly specified otherwise.

Further we guarantee the fulfillment of the requirement of the European Council Directive no. 1907/2006 from 18th of december 2006 which regulates registration, evaluation, admission and restriction of chemical substances (EU REACH). Therefore our products doesn't contain any substances above maximum value according to candidate liste of EU-REACH-Regulation 2018/675 last updated on 17th of January 2023, unless the customer expressly specified otherwise.

Our products are also free of Conflict Minerals according to Dodd-Frank Wall Street Reform and Consumer Protection Act from July 2010.

We confirm, that the products supplied by us are free from latex according to (EU) 2017 745 (MDR).

*Best regards
HIPP Drehteile GmbH*
